

THE NUTCRACKER FINGER PUPPETS

How to make your Nutcracker finger puppets of the Sugar Plum Fairy and the Nutcracker Soldier:

1. Print off this sheet, and colour in the two characters.
2. Glue the sheet face up onto a piece of thin cardboard. The back of an empty cereal box should be perfect.
3. Ask an adult to cut around the dotted lines, and make two holes in each puppet where highlighted.
4. Now pop your fingers through the holes to make the characters' legs, and waggle them about to make them dance!
